Launch of PSNC guide to organising and preparing for an MP's visit to a community pharmacy

PSNC today launched an updated version of a guide designed to help both LPC representatives and pharmacy contractors plan for a visit by their local MP to their pharmacy. It also contains lobbying points on both local and national issues that are currently affecting community pharmacy.

Commenting on the launch, **Dipen Shah, Head of Public Relations** at, PSNC said:

"It is important that pharmacy contractors engage with their local MP. This guide will help contractors effectively lobby their MP on issues that affect community pharmacy, both locally and nationally."
