

**\*\*\*\*\*Change to Astellas Pharma Ltd distribution in the United Kingdom\*\*\*\*\***

From 1<sup>st</sup> November 2010, Astellas Pharma Ltd will simplify their supply and distribution model for community pharmacists, hospitals and dispensing doctors in the UK, using three full line wholesalers with nationwide coverage:

AAH Pharmaceuticals Limited  
Alliance Healthcare (Distribution) Limited  
Phoenix Healthcare Distribution Limited

This change affects the following brands only:

Cardene®	Lipobase®	Vesicare®
Conotrane®	Locoid®	Zineryt®
De-Nol®	Mildison®	Ketovite®
Flomaxtra®	Protopic®	Pancrex®
Herpid®		

Prograf®, Advagraf®, Modigraf® and Mycamine® will continue to be supplied direct to dispensing points under an Agency Distribution Model with Alliance Healthcare (Distribution) Limited.

Hospital customers who purchase directly from Astellas Pharma Ltd will be unaffected by this change at present.
